

## You belong here.

NKF Members are clinicians, practitioners, educators, advocates, and researchers. Comprising the interprofessional nephrology team, NKF Members are committed to their professional development and specialize in providing equitable and compassionate care to patients with kidney disease.

### Join today and get access to:

- NKF's family of premiere journals
- Free and discounted accredited CME/CE activities
- Discounted registration to the annual NKF Spring Clinical Meetings
- Research grants, educational stipends, and professional designations
- Professional awards and volunteer opportunities
- Online account including access to the interprofessional NKF Member Directory
- Digital credential badging program:

Through networking, education, resources, research, and innovation, NKF Professional Membership supports kidney professionals through their journey to improve the patient experience and achieve the best possible outcomes. A portion of membership fees are directed to NKF's research endowment fund and supports NKF's lifesaving patient programs and services.
